THANK YOU FOR YOUR DONATION

Could we ask you to Gift Aid it?

What that means is for every £1 you give, we will receive 28 pence from the Inland Revenue. Every £10 can be turned into £12.80 for us - at no extra cost to you!

To be able to Gift Aid your donation you have to be a UK taxpayer who will pay more in income tax or capital tax in the year than the charity will claim (so if you donate £10 your tax bill will have to be more than £2.80).

If this applies to you and you would like us to be able to claim Gift Aid on your donation simply complete this form.

I would like to Gift Aid all donations I've made to WEST SUFFOLK MIND since 6th April 2000 and all donations in the future until I notify you otherwise.

WEST SUFFOLK MIND – WHO WE ARE

West Suffolk Mind has been a registered charity since 1962 and has been affiliated to Mind National since 1986. Our mission is to work to better the lives of people experiencing mental health difficulties in West Suffolk.

We are based in Bury St Edmunds and we offer services in Sudbury, Haverhill, Brandon, Mildenhall and Newmarket. We work in partnership with East Suffolk Mind to ensure services are available across the county.

We provide training, support, advice, guidance and counselling services for people over the age of 16 who have, or who are at risk of developing mental health difficulties. We also provide services for their carers and families. Our services (apart from some extended counselling courses) are free at point of delivery.
