MEETING YOUR NEEDS.....

50 Long Brackland provides a superb venue for conferences, meetings, training and counselling sessions. Our converted basement area is a wonderful new facility which offers a Music Room, Arts/Craft Room and a main area which provides a versatile space suitable for training or meetings. There are also kitchen facilities and disabled toilets. The first floor boasts a large conference room, meeting room and 4 large counselling rooms. A lift to all floors ensures that the entire building is wheelchair accessible and the whole of the building is a non-smoking environment. 50 Long Brackland does not offer on site parking during the day but is within easy walking distance from car parks at St Andrew's Street North, the Cattle Market and Ram Meadow, as well as being in close proximity to Bury Railway Station and the Bus Station. The building is owned and managed by West Suffolk Mind and is happy to offer its facilities as a resource to local organisations supportive to the promotion of mental health.

Rooms are available for hire Monday to Friday between 9am and 8.30pm.

Bookings should be made via the office on
01284 764808
